### How This Event Works

**Poker Ride:** Be saddled up and ready to ride out at 9:30. Ride your horse at your own pace on an easy, scenic, marked, 5 mile trail. At each of 5 different locations along the route, stop and draw a card from the dealer for your poker hand(s) and have it recorded on a special score card that you will carry with you. Upon completion of your ride, gather with horse friends to enjoy a delicious, hearty lunch and find out if you hold one of 3 winning poker hands or you are the lucky winner in the Grand Prize Drawing! Prizes will be awarded at 12:30.

**Scavenger Hunt:** At 1:00, be ready to ride again on a different easy, scenic, marked 6 mile trail. You'll carry a card that randomly lists items hidden along both sides of the trail. When you spot an item, record on your card the ID# placed at each item. **Be sure to keep your finds secret!!!**  
**Do Not pick up items**—leave them hidden. Whoever finds the most items with the most points wins. There will also be 3 winners in the Scavenger Hunt. Prizes will be awarded after the last rider comes in, but no later than 4:00 PM.

In the event of a tie in either ride, the winner will be decided by a "high card draw".  
Cash prize amounts will be based on number of participants, the more there are, the larger the "pot"—minimum cash 1st prize will be \$50.
