## **OVERNIGHT STABLING & LAYOVERS**

Georgia state requires all horses to be transported with their original negative Coggins, current within twelve months. Out of state horses are required to also have a health certificate. A signed Waiver of Liability is required, form attached.

The GRR Rate Sheet is attached for various levels of stabling as well as lodging for guests. Stalls are already bedded with shavings. Camp sites have electric and water hookups. In the stables is a bathroom with a hot water shower. There is a dump station behind the indoor arena.

Please call at least two days in advance to make reservations if possible. Advance payment is not usually required, depending on availability. You can pay with cash, traveler's checks, or personal checks upon arrival, no credit cards. To confirm your reservation, fill out and mail or fax back the "Waiver of Liability". The fax number is (706) 677-0078, the mailing address is on the waiver.

"Reserved" cards will be placed on your assigned stalls. Please do not put horses or other pets in stalls except those assigned to you.

If you need to cancel your reservations, please contact CJ Farmer to let us know. When you know your anticipated time of arrival, or to advise us of a change in your expected time of arrival, please contact us at (706) 677-0072 office/home or (770) 540-8380 cell phone. Directions can be found on our web site <http://GroveRiverRanch.com> or as follows:

From Atlanta & Gainesville, I-85 & I-985 Northbound: Headed north from Atlanta, I-985 is a connector to Gainesville off I-85. Traveling either north or south on I-985/Highway 365, at mile marker 33, turn southeast/right on Athens Street and go about one mile into the small town of Lula. Go straight at the stop sign, cross over the railroad tracks, immediately bear to the left onto Ga. Hwy 51East. Go about 4 miles, just past mile marker 4, turn right onto Hickory Flat Road. Go one mile, turn right onto the gravel road of Hickory Flat Drive, then proceed about one-half mile to the equestrian center.

From Greenville, I-85 Southbound: Take Exit #149 (Banks Crossing). Turn north/right on U.S. Hwy 441, go about 2 miles to Ga. Hwy 164. Turn left onto Hwy. 164 and go about 3 miles toward Homer. On the outskirts of Homer, turn left onto Ga. Hwy 51 and go about 6 miles. Just before mile marker 4, turn left onto Hickory Flat Road. Go one mile, turn right onto gravel road Hickory Flat Drive. In front of the cream colored metal shop building, bear left onto the asphalt drive (street sign with several building numbers on it) then proceed about one-quarter mile to the equestrian center.

The Stables are in the building on the right. Pull into the gravel area to the right of the stables and the run pens, park in the gravel. Do not unload or unpack on the asphalt. You may unhook your trailer in the gravel area allowing room for traffic to pass on the left side.

The Ranch Rules are attached for your review and compliance. An employee of the ranch will feed your horses at the same time our horses are fed if you will leave their feed rations in buckets in front of the stalls. Tie up horses to steel beams in the stables, not to stall fronts or fences please.

*Our staff works hard to keep the barn areas clean and safe. Your cooperation will certainly be appreciated. We hope you will enjoy your stay at Grove River Ranch, LLC, and visit us again soon!*
