All things horsey! Camp Director has over 35 years experience with horses, breeding, training, boarding, seven years of competition on a national level, 18 years as a riding instructor. Beginners to advanced, campers grouped by age and experience level. Horse-related academics, horsey arts and crafts, and making new horse-loving friends. Classroom, demonstrations and practical application to learn horse care and horsemanship riding skills. Minimum of 3 hours of riding instruction daily. Intermediate and advanced camps will focus on horse show basics or trail riding. At the end of the camp session, campers will demonstrate some of their newly acquired skills for parents.
